## Professional Summary

---

Hello! I'm Joshua Scieryl Glaraga, but you can call me Jhao. I'm a BSIT graduate and an IT professional with experience in web development, database and server management, network specialization, and IT infrastructure.

Alongside my technical expertise, I have a strong passion for graphic design and have developed my skills over the past two years. I'm proficient in Figma, Adobe Photoshop, and Canva, combining creativity with technical knowledge to create effective and visually engaging solutions.

I'm passionate about technology, design, and continuous learning, and I'm always looking for opportunities to apply my skills, grow professionally, and contribute to meaningful projects.
